The facilitators will begin promptly at 8:30 each day and we would like to keep interruptions minimal to ensure you receive the full benefits of this year's Common Core Academy.

Lunch and an afternoon break will be provided each day of the session, however, you may also want to bring additional water and snacks for your use throughout the day. If you have a dietary need for lunch, please email Gerolynn Hargrove at gerolynn.hargrove@schools.utah.gov with your request *at least 10 days before* your assigned session. Include the following:

Your name
Site and date (example, Moab June 13-16)
Grade level attending
Type of meal (example, vegetarian, etc.)

Participants who attend all four full days of the Common Core Academy will receive two USOE credits. These credits will be automatically posted on OnTrack after the session. Administrators attending the administration day on the last day of the Academy will receive seven re-licensure points, which will also be posted on OnTrack.
